To whom it may concern:

I, the state licensed veterinarian signed below, have examined the premises of Journey's End Ranch under the management of Catherine Ritlaw. The facility is well maintained, clean and adequate for the number of animals present. Fresh clean water and feed are ample and the animals observed were in good body condition. Catherine is an intelligent caring person and is very observant about health problems if they arise.

I have no reservation endorsing Journey's End Ranch and I know of no reason to withhold any certification by USDA or AZ. Dept. of Agriculture.

Sincerely,

Robin W. Waldron, DVM
